

Newbridge Academy Accessibility Plan

As a prescribed organization under the BC Accessibility Act (2021) Newbridge Academy is required to form an Accessibility Plan. As outlined on the Accessibility BC website (<https://accessibilitycanada.ca/legislation/accessible-british-columbia-act/>), Newbridge Academy will meet the three requirements of the act in the following ways:

1. **Committee:** To meet the committee requirement off the Act, Newbridge Academy is using the committee struck by the Associate Member Society of the FISABC, of which we are a member. On a local level, the Principal, in conjunction with the building manager of the strip mall in which we are located will be dealing with accessibility matters.
2. **Plan:** Newbridge Academy will take the following steps in the 2023/2024 school year;
 - a. We will do an initial assessment of the level of accessibility in our school building to identify strengths and needs. This will be completed by January 31, 2024.
 - b. We will meet the requirements of the BC Accessibility Act by formulating this plan and posting it on the school website.
3. **Feedback:** Anyone with feedback on accessibility at Newbridge Academy is invited to email the Principal, Stephen Olah at admin@newbridge-academy.ca OR TELEPHONE 778-291-0110.
